

**Providers Covered and Not Covered
Under Mercyhealth’s Financial Assistance Policy**

Last Updated on: July 1, 2016

If the provider’s Coverage Status is listed as “Covered”, then the provider or group is covered under this Financial Assistance policy. If the provider’s Coverage Status is listed as “Not Covered”, then the provider or group is not covered under this Financial Assistance policy. Because the providers and groups included on this list may change at any time, Mercyhealth will update and post a new version of the list on its hospital websites (www.rhsnet.org and www.mercyhealthsystem.org) at least quarterly.
