

Help When You Need It Most

Why Choose Us?

You're happy living at home and going where you want to go, but a sudden fall or other life-impacting emergency could threaten your independence. That's why you need to be prepared with the right solution to stay safe and provide you and your loved ones with peace of mind.

American Medical Alert is one of the most trusted PERS solutions in America. Over a million people have relied on our partner American Medical Alert and its remote monitoring solutions to help them live independent lives.

PERS Solutions help you anytime, 24/7/365

All PERS Include:

- Easy setup and use
- Professional and compassionate support team
- No hidden fees or equipment charges
- No long-term contracts
- Two-way voice communication

Giving you and your loved ones peace of mind, all the time

Systems We Offer:

- CEL LTE & Premium Landline System
- Mobile LTE

“We almost lost mom about a year ago. She felt awful pain and pushed her button. Turns out, she was having a heart attack. Thank you”

–M. Mathers

How PERS Works

Press your Medical Alert button 24/7/365 and you will immediately be connected to one of our operators.

Our dedicated, supportive operator will determine the exact help you need, whether its emergency assistance, caregiver or even a family member or friend.

Our operator will connect you to the help you need and stay in communication until help arrives.
